Common NameCAS #
Nood DustACGIH Exposure Limit
1mg/m3 8-hour, TWAOSHA Exposure Limit
5mg/m3 8-hour, TWAWood Dust1mg/m3 8-hour, TWA5mg/m3 8-hour, TWA
and 10 mg/m3 15-mm STEL

NOTE: Wood dust may be created in sawing, sanding or otherwise machining Forestree. By itself, Forestree does not emit dust.

3. COMPOSITION INFORMATION

Substance/Mixture: Mixture

There are no ingredients present which, with the current knowledge of the manufacturer, are classified as hazardous to health and hence require reporting in this section.

4. FIRST AID MEASURES

Eyes: Immediately flush eyes with large amounts of water.

Skin: Wash skin with soap and water.

Inhalation: Remove to fresh air and keep at rest in a comfortable position.

Ingestion: Wash out mouth with water.

5. PHYSICAL AND CHEMICAL PROPERTIES

Physical State: Solid

PH: Not applicable **Boiling Point:** Not applicable Melting Point: Not applicable Vapor Pressure (mmHg): Not applicable Vapor Density (Air=1): Not applicable **Evaporation Rate:** Not applicable % Volatile by Volume: Not applicable Autoignition: Not applicable Water Solubility: Insoluble Specific Gravity (Water=1): Not applicable

6. FIRE FIGHTING MEASURES

Means of extinction: Water, foam, sand Explosion risk: Not applicable Flash Point: Not applicable Flammable Limits in Air: Water, foam, sand Not applicable

Do not enter confined fire space without proper protective equipment including NIOSH approved self-contained breathing apparatus.

7. STABILITY AND REACTIVITY

Stable under normal conditions. Decomposition products and amounts produced will depend on decomposition conditions. Avoid contact with open flame or temperatures which will cause wood to ignite or burn. Exposure to humidity will cause the material to swell. Long term exposure to direct sunlight can result in degradation.

8. TRANSPORT, HANDLING, STORAGE AND DISPOSAL

Transport: Transport free from moisture.

Handling: No special care required.

Storage: Store in safe, clean area away from moisture. Avoid open flames, excessive heat and sparks. Disposal: Incinerate or landfill in accordance with applicable federal state and local law or regulation.

9. EXPOSURE CONTROLS / PERSONAL PROTECTION

Ventilation: No special equipment required under normal conditions of use.

Breathing Protection: Users with known allergies to particular tree species may require protection.

Eye protection: No special equipment required under normal conditions of use.

Gloves: Users with known allergies to particular tree species may require protection.

10. HEALTH HAZARD DATA

Dust: May cause nasal dryness, irritation and obstruction. Coughing, wheezing and sneezing; sinusitis and prolonged colds have also been reported. Depending on species, may cause respiratory sensitization and/or irritation. Prolonged exposure to wood dust has been reported by some observers to be associated with nasal cancer. Wood dust is not listed as a carcinogen by NTP or OSHA. Wood dust is listed by IARC as a Group 1 carcinogen.

11. REGULATORY INFORMATION

Comply with all federal, state and local provisions that may apply.

12. OTHER INFORMATION

The data in this document is based on available information at the time of compilation. They describe the product merely in terms of health and safety requirements, whereby they should not be construed to warrant specific properties of the product.

IMPORTANT

SR Wood, Inc. believes the information contained in this document was accurate at the time of preparation and was compiled using sources believed to be reliable. SR Wood, Inc. makes no expressed or limited warranty concerning the accuracy or completeness of the information presented. If a user is aware of other relevant information related to the processing of this product in the user's work place, they should consider including such information in the preparation of their own safety sheet for their work place. It is the responsibility of the user to investigate and understand other pertinent sources of information and to comply with all laws and procedures applicable to the safe handling and use of this product. It is the responsibility of the user to insure that this document is the most current version available.
